

Customer Testimonial

Intercounty Paving Company Inc.

The Best Manufacturers

“Every couple of years we change our equipment and update our fleet. We recently purchased an 8616 LeeBoy paver from Hoffman, which has performed the best out of all the pavers we have purchased. LeeBoy makes the best commercial pavers for our use, and the 8616 we purchased from Hoffman is used daily on our projects. We’ve thought about using other pavers, but we always go back to LeeBoy.

“We have also purchased other equipment from Hoffman, including a skid steer, some skid steer attachments, and curb machines.”

“A phenomenal sales team”

“We have bought equipment from Hoffman in the past, and have been a customer of theirs for a long time. They are convenient and their prices are competitive but, in all honesty, the reason we keep coming back is their salesman, Joe Barbara. Joe is phenomenal and goes above and beyond almost every time.

“One time in particular we needed a new muffler for one of our skid steers during a snowstorm. Joe not only went out of his way to find the replacement part we needed, but he drove through the storm and delivered the muffler to us on-site. Joe is not only a nice guy, but he is a great representative and one big reason we continue to purchase from Hoffman.”
